**Domain Authorization Letter**

I confirm and warrant that:

- Organization/Person requesting for the Certificate: \_\_\_\_\_(Applicant)
- Domain(s) to be included in the certificate: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Note:** Just need to fill out the top domain. And more than one domain can be filled here if the domains belong to the same Registrant below.

- Registrant of the Domain: \_\_\_\_\_

**Note:** Should be the Registrant in the WHOIS information of the domain(s).

I am the registrant (and/or employed by the Registrant) and am duly authorized to sign this Domain Authorization Letter and to deal with all matters related to the registration of the Domain.

The StartCom Certification Authority recently received a request from Certificate Applicant to issue one or more Digital Certificate(s) under Certificate Applicant's name. Certificate Applicant desires to install the Digital Certificate on its web server(s) for the domain and ultimately to enable secure communications with its users.

Registrant acknowledges that it has granted Certificate Applicant the right to use the Domain in connection with its business and as a common name in the Digital Certificate request referenced above and any subsequent and/or additional certificates obtained by the Certificate Applicant during the validity of the above referenced certificate.

Registrant agrees to indemnify StartCom and its directors, officers, agents, employees, contractors, parents, affiliates, or subsidiaries (collectively, the 'Indemnified Parties') and hold the Indemnified Parties harmless from and against any losses, costs, damages, and fees (including reasonable attorney's fees) incurred by the Indemnified Parties in connection with: (a) Any breach by Registrant of any representation or obligation under this letter or any domain name registration agreement between Registrant and the Registry governing the Domain name registration (collectively, the 'Indemnity Conditions'). Upon appropriate notice, Registrant shall defend, at its expense, any claim brought against one or more of the Indemnified Parties based on or arising out of one or more of the IndemnityConditions.
